

Costume Deposits

A Costume Deposit of \$50 per costume is due by February 17, 2012*

* AutoPay is automatically set to process your costume deposit on Feb 17th.

See your "schedule of fees" for complete explanation.

The costume manufacturers require several months to fulfill our order so please do not be late with your deposit as it will delay the order for your entire class. Remember this payment is just the deposit and the remaining balance, ranging from approximately \$25 - \$35 per costume will be due by April 13th.

By paying the deposit, you are formally *placing an order* with the costume manufacturer and agree to pay the balance of the costume. These costumes are made to order and there is *no cancellation or refunds* on costumes deposits or balances once the order is placed.
